

FRIENDS OF ANIMAL CARE & CONTROL

2006

## Sponsorship Opportunities

## Hero Awards 2006

Dear Friend,

The dictionary defines a hero as one who is often of divine ancestry, who is endowed with great courage and strength, celebrated for their bold exploits, and favored by the gods. Once again, Friends of Animal Care & Control is recognizing and honoring the impact animals have on our lives through truly heroic efforts of service or personal survival. These animals may have acted to save the lives of a person, performed services within the community, or have overcome their own devastating circumstances to survive against all odds and thrive.

**On Saturday, October 28, 2006, at 6 p.m.,** Friends of Animal Care & Control (FACCs) invite you to join us for the 4th Annual Hero Awards as we celebrate the accomplishments of local animal heroes. The gala event will be held at the beautiful J.W. Marriott Desert Ridge in Phoenix, Arizona and will include a gourmet dinner, silent and live auctions and presentation of the Hero Award Medallions to our Animal Heroes.

FACCs mission is to end euthanasia of healthy and adoptable animals in our community by raising funds to support the special programs of Maricopa County Animal Care & Control. Your support will enable us to someday reach this important goal. Please take a few minutes to review the enclosed material and consider becoming a hero to those in need.

For more information about sponsorships, please call or email us.
